The image displays four architectural sections of a building facade, labeled A-A, B-B, C-C, and D-D. Each section provides a detailed view of the building's structure, including walls, windows, doors, and rooflines, with associated dimensions and elevations.

- Section A-A:** Shows a long, low profile of the building. Key dimensions include a total width of 1999 and a height of 2190. The section includes a curved end with a radius of R150 and a flat end with a height of 1000. Elevation markers are at 0.000 and -3.600.
- Section B-B:** Shows a cross-section of the building. Key dimensions include a total width of 3000 and a height of 2190. The section includes a curved end with a radius of R150 and a flat end with a height of 1000. Elevation markers are at 0.000 and -3.600.
- Section C-C:** Shows a cross-section of the building. Key dimensions include a total width of 1800 and a height of 2190. The section includes a curved end with a radius of R150 and a flat end with a height of 1000. Elevation markers are at 0.000 and -3.600.
- Section D-D:** Shows a cross-section of the building. Key dimensions include a total width of 1700 and a height of 2190. The section includes a curved end with a radius of R150 and a flat end with a height of 1000. Elevation markers are at 0.000 and -3.600.
